From the Principal

We are fortunate to have a group of students who care deeply about others. One of our students with Japanese ancestry initiated a fund raising effort for those injured and trying to rebuild their lives. After Spring break students will be collecting money to forward to the Red Cross Society. Well done Bayview.

On another note we all enjoyed “Tangled” at the Hollywood Theatre yesterday. Your children were awesome. Thank you to the student council for helping to put this event together and to the staff and parents who were on popcorn and drink duty. By the way after talking to the owner of the Hollywood I found out that the theatre is up for sale. The asking price is \$3,000,000. We would like make seeing a movie at the Hollywood a tradition. It would be very helpful if a Bayview family purchased the Hollywood!

We have reached the end of term II. It has been a busy and productive time. Your child will be taking his/her report card home today.

We will be starting “Off to a Running Start” again in April. We need parents of intermediate students who are able to help supervise at McBride Park. Please notify your child’s teacher or me if you can volunteer.

Our PAC and many, many other volunteers pulled out the stops and created a very successful “Evening in Wonderland”. Countless hours were spent putting this very special evening together. The staff and I extend our gratitude for all of your hard work. Thank you!

Have a great Spring Break!
