### From the Principal

Today the PAC organizers of the Scholastic Book fair announced that over two days there had been over \$3,000 worth of purchases. Through a variety of Scholastic promotions 80% of each dollar comes back to the school in book purchases for the library. This is fabulous! Thank you to the organizers for putting the book fair together

Divisions 7 and 8 received the salmon eggs last Wednesday. They will be caring for the salmon until they can be released in a stream. If you have a chance please check out the display and tank on the second floor outside Ms. Linton's class.

We have just confirmed that Chaundra Van Geertruyde, our new Office Admin. Assistant will be with us at Bayview for the remainder of the year. We are lucky to have Chaundra working with us.

Thank you for taking the time to attend your child's conference this past week. It makes a big difference to them.

One last thing. January 31<sup>st</sup> is the last day for registering for Kindergarten for the 2011 – 2012 school year. After the 31<sup>st</sup> we begin to consider cross boundary applications for Kindergarten. Please come in soon to register!

Have a great weekend!

Hugh

### Satisfaction Survey 2010/2011

The Provincial Satisfaction Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2011** the Satisfaction Survey will be administered to students in grades 4 and 7, their parents, and all school staff. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

This year, the survey can be completed electronically and can be accessed on the Internet at [http://www.bced.gov.bc.ca/sat\\_survey](http://www.bced.gov.bc.ca/sat_survey). Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. All that is required is a logon number that the school will provide to participants. Provincial, District and School Reports for previous years can be viewed at the same site, without a logon number.

The e-survey site will be open early in the new year until January 28, 2011.

If you have not received your logon number by January 27, 2011, please contact the school at 604-713-5433.
